

Nebraska Beekeepers Association 2016 Bee Fun Day

Sunday, June 12, 2016 - 9am-5pm

Seward Civic Center - 616 Bradford Street - Seward, NE 68434

Registration includes lunch, snacks, beverages, a day full of learning and fun.

Please arrive at 8am for registration. Presentations start sharply at 9am.

Register online at NebraskaBeekeepers.org.

For additional information, please contact Jane Nelson at (402) 261-3407.

Dr. Judy Wu-Smart

*Entomology Extension Specialist
University of Nebraska - Lincoln*

A new addition to UNL's own Entomology faculty. Dr. Wu received her doctorate from University of Minnesota Bee Lab under Dr. Marla Spivak. Her research and has done extensive research on sub lethal effects of neonicotinoid insecticides on honey bee and bumble bee queens and colony development.

Margaret Berry

Encaustic Painter

As the first artist-in-residence at the Lincoln Cornhusker Marriott Hotel Margaret Berry captures natural themes

in beeswax. "Sweeping views, earthy colors, plowed fields, Zen gardens fit well with the smell and sensuous feel of the organic materials I use to create."

After the presentation about encaustic art, individuals can participate in a "Make & Take" encaustic painting for an additional \$10/person.

Payment is due at the time of the workshop to Margaret Berry. Please indicate below if you are interested in attending this additional hands on program.

Other presentation topics:

Learning opportunities for all levels!

Queen rearing roundtable Q&A

Creamed Honey Presentation

Swarms

FSA Farm Loans,
Disaster assistance and
Youth Micro-Loans

Value Added Products

And so much more!

*Door prizes will be awarded
throughout the day!*
